Excelsior Springs Job Corps Railcar Dedication and Ribbon Cutting Nov. 17

In partnership with the Transportation Communications Union and Union Pacific, and in celebration of new career opportunities for young adults in Missouri, the U.S. Department of Labor's Excelsior Springs Job Corps Center is dedicating its on-site railcar with a ribbon-cutting ceremony on **Nov. 17 at 2:30 p.m.**

Now that the finishing touches are complete and the railcar is fronting new markings, it will be dedicated in a Nov. 17 ribbon-cutting ceremony on campus. The public is invited to come to the event. Guests will go through security screening. Security has each guest go through a metal detector and will look in the back seat and trunk of each vehicle to see if there are any prohibited items in line of sight.
